WHAT CAMPERS DO ON BOARD

Campers read a treasure map, crack the message-in-a-bottle clues, man the water cannons against Pirate Pete and hoist sunken treasure from the deep. The activities support New Jersey Student Learning Standards for early elementary ages.

Boarding is at Waterfront Marina, 281 Princeton Ave, Brick, NJ. Schools and camps from Ocean County and near Point Pleasant board here in Brick. Bus parking inside the marina is free. Plan about 1 hour 45 minutes from check-in through return to the dock.

AFTER THE SAIL

- There is no food on the boat. Camps can use the pirate-themed lunch room free for 30 minutes after the adventure. Bring your own lunches and water.
- A full boat covers up to 35 campers. Counselors and chaperones also count toward the 43.
- The program was created by an elementary education professional. Sailing since 2009.
